Mrs. A. Manley  
101 Montgomery St.  
Newark, N.J.

Dear Mrs. Manley:

I can't understand why the Phila. Stars didn't get their full guarantee of \$250 for the games in Newark, Sunday, August 4. If there was any question about it, you knew where I was and could easily have called me.

I asked the club secretary about it, and he said some remark was made about July 4 in Phila.

That has no bearing on the matter as it rained that day, was raining when the Newark club arrived at the ball park, and the proposition was put up to Abe Manley, that we were willing to play, providing he would gamble with us, in spite of the rain, and your husband agreed to play 50-50 after expenses, feeling that anything gotten under the weather conditions would be better than nothing.

Nothing like this happened in Newark. The weather was good and it was just unfortunate that the crowd wasn't there. The League rules call for \$250 guarantee on Sunday's, and we are entitled to \$65.26, to make up the difference.

Would appreciate your check for that amount, or you can give it to the club to-night.

August 5, 1940.

Also want to ask if you understand that we are to receive \$150 flat for to-night's game, as per your letter to me?

How about the game August 15, instead of August 17? Advise me immediately.

Is it possible to get the umpires checks, and the booking fees to-date?

Awaiting your prompt reply, I am

Sincerely  
*Ed. Gottlieb*
